

From Kyle Adams:

To interested parties. Mr. Gary Springer presented an idea of having golf course lot owners form an LLC for the purchase and maintenance of the former Atascocita Golf Club Properties. Mr. Springer has been provided a list of ALL homeowners on the golf course (ACIA and Kings River). I am hoping he will contact people directly. If anyone else wishes to contact Mr. Springer about this LLC, please email Trustee Kyle Adams. I can forward your information to Mr. Springer.
