

and modern subdivision of the highest quality so that, among other things, the values and amenities in such property can be preserved; and

WHEREAS, there has heretofore been created an agency for the establishment and maintenance of a uniform plan for the improvement and development of The Subdivision, to which has been and will be delegated and assigned the powers of maintaining, administering and enforcing said uniform plan and the assessments and charges created in the Declaration and all Supplemental Declarations; and

WHEREAS, such predecessor-declarant has caused said Atascocita Community Improvement Association to be incorporated under the laws of the State of Texas, as a non-profit corporation, for the purpose of exercising the functions aforesaid;

NOW, THEREFORE, Declarant hereby declares that all of the properties described above as PINEHURST OF ATASCOCITA, SECTION ELEVEN, shall be held, sold and conveyed subject to the following easements, restrictions, covenants and conditions, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of the real property. These easements, covenants, restrictions and conditions shall run with said real property and be binding upon all parties having or acquiring any right, title or interest in said real property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of, and be a burden on, each Owner thereof.

ARTICLE I

Definitions

The following words, when used in this Supplemental Declaration (unless the context shall prohibit) shall have the following meanings:

- (a) "Association" shall mean and refer to Atascocita Community Improvement Association, Inc., its successors and assigns.
- (b) "The Subdivision" shall mean and refer to PINEHURST OF ATASCOCITA, SECTION ONE (except Reserves A through C) and SECTION TWO (except Reserves A through I); PINEHURST OF ATASCOCITA, SECTION THREE; PINEHURST OF ATASCOCITA, SECTION FOUR; PINEHURST OF ATASCOCITA, SECTION FIVE; PINEHURST OF ATASCOCITA, SECTION SIX; PINEHURST OF ATASCOCITA, SECTION SEVEN; PINEHURST OF ATASCOCITA, SECTION NINE; PINEHURST OF ATASCOCITA, SECTION TEN; PINEHURST OF ATASCOCITA, SECTION ELEVEN (brought within the scheme of the Declaration by this Supplemental Declaration); all subsequent sections of PINEHURST OF ATASCOCITA SUBDIVISION brought within the scheme of the Declaration; and any other real property (including specifically, but without limitation, all or portions of other subdivisions being or to be developed by Declarant or affiliated or subsidiary entities) brought within the scheme of the Declaration under the authority contained therein.
- (c) "The Properties" shall mean and refer to the properties described in Article III hereof which are subject to this Supplemental Declaration.

- (d) "Subdivision Plat" shall mean and refer to the map or plat of PINEHURST OF ATASCOCITA, SECTION ELEVEN, recorded in Volume 316, Page 14, of the Map Records of Harris County, Texas, or any subsequently recorded replat thereof.
- (e) "Lot" and/or "Lots" shall mean and refer to each of the lots shown upon The Subdivision Plat. References herein to "the Lots (each Lot) in The Subdivision" shall mean and refer to Lots as defined respectively in the Declaration and all Supplemental Declarations.
- (f) "Common Properties" shall mean and refer to all those areas of land within the Properties as shown on The Subdivision Plat, except the Lots and the streets shown thereon, together with such other property as the Association may, at any time or from time to time, acquire by purchase or otherwise, subject, however, to the easements, limitations, restrictions, dedications and reservations applicable thereto by virtue hereof and/or by virtue of the Subdivision Plat, and/or by virtue of prior grants or dedications by Declarant or Declarant's predecessors in title. References herein to "the Common Properties (any Common Property) in The Subdivision" shall mean and refer to Common Properties as defined respectively in the Declaration and all Supplemental Declarations.
- (g) "Common Facilities" shall mean and refer to all existing and subsequently provided improvements upon or within the Common Properties, except those as may be expressly excluded herein. Also, in some instances, Common Facilities may consist of improvements for the use and benefit of all Owners in The Subdivision constructed on portions of one or more Lots or on acreage owned by Declarant (or Declarant and others) which has not been brought within the scheme of the Declaration. By way of illustration, Common Facilities may include, but not necessarily be limited to, the following: structures for recreation, storage or protection of equipment; fountains; statuary; sidewalks; common driveways; landscaping; swimming pools; tennis courts; boat ramps and other similar and appurtenant improvements. References herein to "the Common Facilities (any Common Facility) in The Subdivision" shall mean and refer to Common Facilities as defined respectively in the Declaration and all Supplemental Declarations.
- (h) "Supplemental Declaration" shall mean and refer to any Supplemental Declaration of Covenants and Restrictions bringing additional property within the scheme of the Declaration under the authority provided in the Declaration. References herein (whether specific or general) to provisions set forth in-"all (any) Supplemental Declarations" shall be deemed to relate to the respective properties covered by such Supplemental Declarations.
- (i) "Owner" shall mean and refer to the record owner, or if such Lot is subject to a term purchase contract with Declarant, to the contract purchaser, whether one or more persons or entities, of the fee simple title to any Lot situated upon the Properties, but, notwithstanding any applicable theory of mortgage, shall not mean

or refer to any mortgagee unless and until such mortgagee has acquired title pursuant to foreclosure or any proceeding in lieu of foreclosure. References herein to "the Owners (any Owner) in The Subdivision" shall mean and refer to Owners as defined respectively in the Declaration and all Supplemental Declarations.

- (j) "Member" and/or "Members" shall mean and refer to all those Owners who are members of the Association as provided in Article IV, Section 4 hereof, together with all the Owners in The Subdivision who are members of the Association as provided in the Declaration and all other Supplemental Declarations.

ARTICLE II

Section 1. Existing Easements. The Subdivision Plat dedicates for use as such, subject to the limitations set forth therein, certain streets and easements shown thereon, and such Subdivision Plat further establishes dedications, limitations, reservations and restrictions applicable to the Properties. Further, Declarant and Declarant's predecessors in title have heretofore granted, created and dedicated by several recorded instruments, certain other easements and related rights affecting the Properties. All dedications, limitations, restrictions and reservations shown on the Subdivision Plat and all grants and dedications of easements and related rights heretofore made by Declarant and Declarant's predecessors in title affecting the Properties are incorporated herein by reference and made a part of this Supplemental Declaration for all purposes, as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant conveying any part of the Properties.

Section 2. Changes and Additions. Declarant reserves the right to make changes in and additions to the above easements for the purpose of most efficiently and economically installing the improvements. Further, Declarant reserves the right, without the necessity of the joinder of any Owner or other person or entity, to grant, dedicate, reserve or otherwise create, at any time or from time to time, easements for public utility purposes, (including, without limitation, gas, electricity, telephone and drainage) in favor of any person or entity furnishing or to furnish utility services to the Properties, along and on either or both sides of any side Lot line, which such easements shall have a maximum width of five (5) feet on each side of such Lot line.

Section 3. Title to Easements and Appurtenances Not Conveyed. Title to any Lot conveyed by Declarant by contract, deed, or other conveyance shall not be held or construed in any event to include the title to any roadways or any drainage, water, gas, sewer, storm sewer, electric light, electric power, telegraph or telephone way, or any pipes, lines, poles, or conduits on or in any utility facility or appurtenances thereto, constructed by or under Declarant or its agents through, along or upon any Lot or any part thereof to serve said Lot or any other portion of the Properties, and the right to maintain, repair, sell, or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party is hereby expressly reserved in Declarant.

Section 4. Installation and Maintenance. There is hereby created an easement upon, across, over and under all of the

Properties for ingress and egress in connection with installing, replacing, repairing, and maintaining all utilities, including, but not limited to, water, sewer, telephones, electricity, gas and appurtenances thereto. By virtue of this easement, it shall be expressly permissible for the utility companies and other entities supplying service to install and maintain pipes, wires, conduits, service lines, or other utility facilities or appurtenances thereto, on, above, across and under the Properties within the public utility easements from time to time existing and from service lines situated within such easements to the point of service on or in any structure. Notwithstanding anything contained in this paragraph, no sewer, electrical lines, water lines, or other utilities or appurtenances thereto may be installed or relocated on the Properties until approved by Declarant or the Association's Board of Trustees. The utility companies furnishing service shall have the right to remove all trees situated within the utility easements shown on the Subdivision Plat, and to trim overhanging trees and shrubs located on portions of the Properties abutting such easements.

Section 5. Emergency and Service Vehicles. An easement is hereby granted to all police, fire protection, ambulance and other emergency vehicles, and to garbage and trash collection vehicles, postal service, and other service vehicles to enter upon the Properties in the performance of their duties. Further, an easement is hereby granted to the Association, its officers, agents, employees and management personnel to enter the Properties to render any service.

Section 6. Underground Electric Service. An underground electric distribution system will be installed within the Properties, which will be designated an Underground Residential Subdivision, and which underground service area shall embrace all Lots in the Properties. The Owner of each Lot in the Underground Residential Subdivision shall, at his own cost, furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of the electric company's metering on the customer's structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company, at the property line of each Lot. The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. In addition, the Owner of each Lot shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the then current standards and specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for the residence constructed on such Owner's Lot. For so long as underground service is maintained in the Underground Residential Subdivision the electric service to each Lot therein shall be underground, uniform in character and exclusively of the type known as single phase 120/240 volt, three (3) wire, sixty (60) cycle alternating current.

The electric company has installed the underground electric distribution system in the Underground Residential Subdivision at no cost to Declarant (except for certain conduits, where applicable) upon Declarant's representation that the Underground Residential Subdivision is being developed for single family dwellings and/or townhouses of the usual and customary type, constructed upon the Lots, designed to be permanently located upon

the Lot where originally constructed and built for sale to bona fide purchasers (such category of dwellings and/or townhouses expressly excludes, without limitation, mobile homes and duplexes). The term "sale to bona fide purchasers" means an outright sale to a resident at the time such resident first occupies the dwelling and/or townhouse and not a lease, a delayed sale by means of a contract for deed, a sale with provisions calculated to subsequently relieve such resident from the obligation to pay for the residence, or similar devices. Therefore, should the plans of Lot Owners in the Underground Residential Subdivision be changed so that dwellings of a different type will be permitted in such Subdivision, the company shall not be obligated to provide electric service to a Lot where a dwelling of a different type is located unless (a) Declarant has paid to the electric company an amount representing the excess in cost, for the entire Underground Residential Subdivision, of the underground distribution system over the cost of equivalent overhead facilities to serve such Subdivision, or (b) the Owner of such Lot, or the applicant for service, shall pay to the electric company the sum of (1) \$1.75 per front Lot foot in the case of a single family dwelling or \$2.50 per front Lot foot in the case of a townhouse, it having been agreed that such amount reasonably represents the excess in cost of the underground distribution system to serve such Lot over the cost of equivalent overhead facilities to serve such Lot, plus (2) the cost of rearranging and adding any electric facilities serving such Lot, which rearrangement and/or addition is determined by the electric company to be necessary.

The provisions of the two preceding paragraphs also apply to any future residential development in Reserve(s), if any, shown on the plat of The Subdivision, as such plat exists at the execution of the agreement for underground electric service between the electric company and Declarant or thereafter. Specifically, but not by way of limitation, if a Lot Owner in a former Reserve undertakes some action which would have invoked the above per front Lot foot payment if such action had been undertaken in the Underground Residential Subdivision, such owner or applicant for service shall pay the electric company \$1.75 per front Lot foot, unless Declarant has paid the electric company as above described. The provisions of the two preceding paragraphs do not apply to any future non-residential development in such Reserve(s).

No provision of this Section 6 (the text of which is prescribed by the Electric Company) shall in any manner operate or be construed to permit the construction on any Lot of any type of residential structure other than a single family residence as provided for hereinafter.

Section 7. Surface Areas. The surface of easement areas for underground utility services may be used for planting of shrubbery, trees, lawns, or flowers. However, neither the Declarant nor any supplier of any utility or service using any easement area shall be liable to any Owner or to the Association for any damage done by them or either of them, or their respective agents, employees, servants or assigns, to any of the aforesaid vegetation as a result of any activity relating to the construction, maintenance, operation or repair of any facility in any such easement area.

ARTICLE III

Property Subject to this Supplemental Declaration

Section 1. Description. The real property which is, and shall be, held, transferred, sold, conveyed, and occupied subject

to this Supplemental Declaration is all of PINEHURST OF ATASCOCITA, SECTION ELEVEN, being 27.567 acres out of the John Iiams Survey, A-479, in Harris County, Texas, and being an acreage tract and Reserve "D", Block Twelve (12), PINEHURST OF ATASCOCITA, SECTION THREE (3), as recorded in Volume 216, Page 36 of the Map Records of Harris County, Texas, and Reserve "B", Block Nine (9), ATASCOCITA SHORES, SECTION THREE (3), as recorded in Volume 212, Page 66 of the Map Records of Harris County, Texas, according to the Subdivision Plat thereof recorded in Vol. 316, Page 14, of the Map Records of Harris County, Texas (or any subsequently recorded plat thereof), which real property is sometimes hereinafter referred to as the "Existing Property".

Section 2. Mineral Exception. There is hereby excepted from the Properties, and Declarant will hereafter except from all sales and conveyances of the Properties, or any part thereof, including the Lots and Common Properties, all oil, gas, and other minerals in, on, and under the Properties, but Declarant hereby waives, and will waive in each such conveyance, its right to use the surface of such land for exploration for or development of oil, gas, and other minerals.

Section 3. Additions to Existing Property. Additional lands may become subject to the scheme of the Declaration in the following manner:

(a) Additions by Declarant. The Declarant, its successors and assigns, shall have the right to bring within the scheme of the Declaration additional properties in future stages of the development (including, without limitation, subsequent sections of ATASCOCITA SHORES SUBDIVISION, PINEHURST OF ATASCOCITA SUBDIVISION and PINES OF ATASCOCITA SUBDIVISION, and all or portions of other subdivisions being or to be developed by Declarant or affiliated or subsidiary entities), upon the approval of the Board of Trustees of the Association, in its sole discretion. Any additions authorized under this and the succeeding subsection, shall be made by filing of record a Supplemental Declaration of Covenants and Restrictions with respect to the additional property which shall extend the scheme of the covenants and restrictions of the Declaration to such property, and the execution thereof by members of the Board of Trustees of the Association shall constitute all requisite evidence of the required approval thereof by such Board of Trustees. Such Supplemental Declaration must impose an annual maintenance charge assessment on the property covered thereby, on a uniform, per-lot basis, substantially equivalent to the maintenance charge and assessment imposed by the Declaration, and may contain such complementary additions and/or modifications of the covenants and restrictions contained in the Declaration as may be applicable to the additional lands.

(b) Other Additions. Upon the approval of the Board of Trustees of the Association, in its sole discretion, the owner of any property who desires to add it to the scheme of the Declaration and to subject it to the jurisdiction of the Association may file of record a Supplemental Declaration of Covenants and Restrictions upon the satisfaction of the conditions specified in subsection (a) above.

(c) Mergers. Upon a merger or consolidation of the Association with another association, the Association's properties, rights, and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association shall administer the

covenants and restrictions applicable to the properties of the merging or consolidating associations as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by the Declaration or any Supplemental Declaration.

ARTICLE IV

The Association

Section 1. Organization. The predecessor-declarant referred to herein has caused the Association to be organized and formed as a non-profit corporation under the laws of the State of Texas.

Section 2. Purpose. The purpose of the Association in general is to provide for and promote the health, safety, and welfare of the Members, to collect the annual maintenance charges, and to administer the Maintenance Fund, to provide for the maintenance, repair, preservation, upkeep, and protection of the Common Properties and Common Facilities in The Subdivision and such other purposes as are stated in the Articles of Incorporation consistent with the provisions of the Declaration and all Supplemental Declarations.

Section 3. Trustees. The Association shall act through a five (5) member Board of Trustees, which shall manage the affairs of the Association. The initial Trustees of the Association have been selected by Declarant. Each initial Trustee shall serve for an initial term of ten (10) years and, thereafter, until his successor is duly elected and qualified. After the expiration of the term of the initial Trustees, the Members shall elect a Board of Trustees as provided for in the Bylaws. Any vacancy, from whatever cause, occurring in the Board of Trustees during the initial ten (10) year term shall be filled by appointment made by the remaining Trustee or Trustees. The person appointed by the remaining Trustee or Trustees to fill such vacancy shall serve the remainder of the initial ten (10) year term and until his successor is duly elected and qualified. The Trustees shall have the power to select one or more advisory trustees from the residents of The Subdivision to serve for such periods of time as the Board of Trustees shall deem appropriate, for the purpose of providing advice and counsel to the Board of Trustees, provided that such advisory trustees shall have no right to act on behalf of the Association.

Section 4. Members. Each Owner, whether one or more persons or entities, of a Lot shall, upon and by virtue of becoming such Owner, automatically become a Member of the Association and shall remain a Member thereof until his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. Membership in the Association shall be appurtenant to and shall automatically follow the legal ownership of each Lot and may not be separated from such ownership. Whenever the legal ownership of any Lot passes from one person to another, by whatever means, it shall not be necessary that any instrument provide for transfer of membership in the Association, and no certificate of membership will be issued.

Section 5. Voting Rights. The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be all the Members of the Association, with the exception of the Declarant. Class A

147-55-0000

Members shall be entitled to one vote for each Lot in The Subdivision in which they hold the interest required for membership by the Declaration or any Supplemental Declaration. When more than one person holds such interest or interests in any such Lot, all such persons shall be Members, and the vote for such Lot shall be exercised as they among themselves determine, but, in no event, shall more than one vote be cast with respect to any such Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to eight (8) votes for each Lot in The Subdivision in which it holds the interest required for membership by the Declaration or any Supplemental Declaration; provided that the Class B membership shall cease and become converted to Class A membership on the happening of whichever of the following events occurs earlier:

- (a) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership;
- (b) on January 1, 1983.

From and after the happening of whichever of these events occurs earlier, the Class B Member shall be deemed to be a Class A Member entitled to one (1) vote for each Lot in The Subdivision in which it holds the interest required for membership by the Declaration or any Supplemental Declaration.

Section 6. Title to Common Properties. The Declarant may retain the legal title to the Common Properties and Common Facilities in The Subdivision until such time as it has completed improvements thereon and until such time as, in the sole opinion of Declarant, the Association is able to operate and maintain the same. Until title to such Common Properties and Common Facilities has been conveyed to the Association by Declarant, Declarant shall be entitled to exercise all rights and privileges relating to such Common Properties and Common Facilities granted to the Association in the Declaration and all Supplemental Declarations.

ARTICLE V

Property Rights in the Common Properties and Common Facilities

Section 1. Members' Easements of Enjoyment. Subject to the provisions of Section 2 of this Article V, every Member shall have a common right and easement of enjoyment in and to the Common Properties and Common Facilities in The Subdivision, and such right and easement shall be appurtenant to and shall pass with the title to each Lot in The Subdivision.

Section 2. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of the Association, in its discretion, to charge reasonable admission and other fees for the use of the recreational Common Facilities, and to make, publish, and enforce reasonable rules and regulations governing the use and enjoyment of the Common Properties and Common Facilities or any part thereof, all of which reasonable rules and regulations shall be binding upon, complied with,

and observed by each Member. These rules and regulations may include provisions to govern and control the use of such Common Properties and Common Facilities by guests or invitees of the Members, including, without limitation, the number of guests or invitees who may use such Common Properties and Common Facilities or any part thereof at the same time; and

(b) The right of the Association to grant or dedicate easements in, on, under or above such Common Properties or any part thereof to any public or governmental agency or authority or to any utility company for any service to The Subdivision or any part thereof; and

(c) The right of the Association to transfer title to any storm sewer line, sanitary sewer line, water line, or any other utility facility or equipment situated in any part of such Common Properties and owned by the Association to any public or political authority or agency or to any utility company rendering or to render service to The Subdivision or any part thereof; and

(d) The right of the Association to convey or dedicate such portions of such Common Properties as its Board of Trustees may deem appropriate to governmental authorities, political subdivision or other persons or entities for use as the location of schools, churches, and hospitals, or for other similar purposes related to the health, safety and welfare of the Members; and

(e) The right of the Association to enter management and/or operating contracts or agreements relative to the maintenance and operation of such Common Properties and Common Facilities in such instances and on such terms as its Board of Trustees may deem appropriate; the right of the Association to operate recreational facilities and related concessions located on such Common Properties; the right of the Association to enter lease agreements or concession agreements granting leasehold, concession, or other operating rights relative to Common Facilities in such instances and on such terms as its Board of Trustees may deem appropriate; and

(f) The right of the Association to suspend the voting rights of a Member or his right to use any recreational Common Facility during the period he is in default in excess of thirty (30) days in the payment of any maintenance charge assessment against his Lot; and to suspend such rights for a period not to exceed sixty (60) days for any infractions of its published rules and regulations; and the aforesaid rights of the Association shall not be exclusive, but shall be cumulative of and in addition to all other rights and remedies which the Association may have in the Declaration and Supplemental Declarations or in its Bylaws or at law or in equity on account of any such default or infraction; and

(g) The rights and easements existing, herein created or hereafter created in favor of others, as provided for in Article II hereof, and in The Declaration and other Supplemental Declarations; and

(h) The restrictions as to use of the Common Properties provided for in Article IX hereof.

Section 3. Delegation of Use. Any Member may delegate his right of use and enjoyment of the Common Properties and Common

Facilities in The Subdivision, together with all easement rights granted to Members in The Declaration and all Supplemental Declarations, to the members of his family, his tenants, or contract purchasers who reside on his Lot. The term "Member" is further defined to include and refer to the executors, personal representatives and administrators of any Member, and all other persons, firms, or corporations acquiring or succeeding to the title of the Member by sale, grant, will, foreclosure, execution, or by any legal process, or by operation of law, or in any other legal manner.

ARTICLE VI

Annual Assessments

Section 1. The Maintenance Fund. All funds collected by the Association from the regular maintenance charges provided for in this Article, together with all funds collected by the Association from the regular annual maintenance charges imposed on the Lots in The Subdivision by The Declaration and all other Supplemental Declarations, shall constitute and be known as the "Maintenance Fund." The Maintenance Fund shall be held, used, and expended by the Association for the common benefit of all Members for the following purposes, to-wit: to promote the health, safety, recreation, and welfare of the Members, including, without limitation, the installation, construction, erection, and relocation of improvements related to the enhancement and beautification of the Common Properties and Common Facilities in The Subdivision, and any other areas provided by The Declaration or any Supplemental Declaration to be developed or maintained by the Association, such as shrubbery, trees, walkways and street lights, and the construction, repair, maintenance and replacement of properties, services, improvements and facilities devoted to such purposes and related to the use and enjoyment of The Subdivision by the Members.

In the event Declarant shall designate Common Facilities for the use and benefit of all the Owners in The Subdivision which are situated on property owned by Declarant (or affiliated or subsidiary entities) but which then has not been brought within the scheme of The Declaration, the Association shall have the right and authority to allocate and expend such amounts from the Maintenance Fund for construction, repair, maintenance, upkeep, beautification, improvement or replacement of such Common Facilities as its Board of Trustees shall determine, in its sole discretion. Further, if all or any such Common Facilities situated on property then not subject to the scheme of The Declaration also are for the use and benefit of persons or entities other than the Owners in The Subdivision, the Association shall have the right and authority to enter agreements with other persons or entities enjoying the use and benefit of such Common Facilities (or their designee), in such instances and on such terms as its Board of Trustees may deem appropriate and acceptable, obligating the Association to contribute, from the Maintenance Fund, a ratable portion of the amounts necessary from time to time to provide for the construction, repair, maintenance, upkeep, beautification, improvement or replacement of such Common Facilities, and providing for other agreements relative to the use and enjoyment of such Common Facilities (including limitations on the extent of the use and enjoyment thereof) by the various persons and entities entitled thereto.

041 JJ 0000

The Association may, in its sole discretion, give one or more of the purposes set forth in this Section 1. preference over other purposes, and it is agreed that all expenses incurred and expenditures and decisions made by the Board of Trustees of the Association in good faith shall be binding and conclusive on all Members.

In the event Declarant shall operate any Common Facility in The Subdivision, or such Common Facility shall be operated by others on behalf of Declarant under agreement authorized hereby, and the actual proceeds realized by Declarant from such operation shall be less than the actual costs incurred by Declarant in connection with operating and maintaining any such Common Facility, Declarant shall be entitled to be reimbursed from the Maintenance Fund for all costs actually incurred by Declarant in maintaining and operating such Common Facility in excess of the actual proceeds realized by Declarant from such operation, as such costs are incurred, to the extent that the balance of the Maintenance Fund from time to time existing exceeds the amount then designated by the Board of Trustees of the Association in good faith to be the minimum amount necessary to accomplish the maintenance functions of the Association. Further, Declarant shall be entitled to be reimbursed from the Maintenance Fund for all ad valorem taxes and other assessments in the nature of property taxes fairly allocable to the Common Properties and Common Facilities and accrued subsequent to the recordation of The Declaration, and prior to the date on which title to such Common Properties and Common Facilities is conveyed to the Association by Declarant, which have been actually paid by Declarant.

Section 2. Covenant for Assessments. Subject to the provisions set forth below in Sections 3 and 4 relating to the rate at which the maintenance charge and assessment imposed herein shall be paid on unimproved Lots, each and every Lot in the Properties is hereby severally subjected to and impressed with a regular annual maintenance charge or assessment in the amount of TWO HUNDRED TWENTY-EIGHT AND NO/100 DOLLARS (\$228.00) per annum per Lot (herein sometimes referred to as the "full maintenance charge") which shall run with the land, subject to increase and decrease and payable as provided in Section 5 below.

Each Owner of a Lot, by his claim or assertion of ownership or by accepting a deed to any such Lot, whether or not it shall be so expressed in such deed, is hereby conclusively deemed to covenant and agree, as a covenant running with the land, to pay to the Association, its successors or assigns, each and all of the charges and assessments against his Lot and/or assessed against him by virtue of his ownership, thereof, as the same shall become due and payable, without demand. The charges and assessments herein provided for shall be a charge and continuing lien upon each Lot, together with all improvements thereon, as hereinafter more particularly stated. Each assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation to pay such assessment accrued, but no Member shall be personally liable for the payment of any assessment made or becoming due and payable after his ownership ceases. No Member shall be exempt or excused from paying any such charge or assessment by waiver of the use or enjoyment of the Common Properties or Common Facilities, or any part thereof, or by abandonment of his Lot or his interest therein.

Section 3. Unimproved Lots Owned by Declarant. Declarant shall pay twenty percent (20%) of the then existing full maintenance

charge assessment for each Lot owned by it, unless and until a residential structure has been built thereon and three (3) months have elapsed since the substantial completion of such residence, or the residence has been permitted to be occupied, whichever occurs first. Thereafter, commencing on the first day of the next succeeding calendar month, the full maintenance charge then assessed shall become applicable. If the annual maintenance charge on such Lot has been prepaid at twenty percent (20%) of the full maintenance charge then assessed for the portion of the calendar year remaining after the full maintenance charge becomes applicable to such Lot, as herein provided, the then Owner of such Lot shall be obligated to pay to the Association, on the date the full maintenance charge becomes applicable, as herein provided, that prorata portion of eighty percent (80%) of the full maintenance charge then assessed, which shall bear the same ratio to eighty percent (80%) of such full maintenance charge as the number of full calendar months remaining in such calendar year bears to twelve (12).

Section 4. Unimproved Lots Owned by Builders and Owners Other Than Declarant. Owners of unimproved Lots other than Declarant shall pay fifty percent (50%) of the then existing full maintenance charge assessment for each Lot owned by them, until a residential structure has been completed thereon and has been occupied. Builders shall also pay fifty percent (50%) of the then existing full maintenance charge for each lot owned by them unless and until a residential structure has been built thereon and three months have elapsed since "substantial completion" of such residence or the residence has been permitted to be occupied, whichever occurs first. Thereafter, commencing on the first day of the next succeeding calendar month, the full maintenance charge then assessed shall become applicable to such improved lots owned by Builders and Owners other than Declarant. If the annual maintenance charge on such Lots have been prepaid at fifty percent (50%) of the full maintenance charge then assessed for the portion of the calendar year remaining after the full maintenance charge becomes applicable as herein provided, then the Owner of such Lots or the Builder owning such lots shall be obligated to pay to the Association, on the date the full maintenance charge becomes applicable, as herein provided, that prorata portion of fifty percent (50%) of the full maintenance charge then assessed, which shall bear the same ratio of fifty percent (50%) of such full maintenance charge as the number of full calendar months remaining in such calendar year bears to twelve (12). It shall be the duty of each such Owner to notify the Association at the time such residential structure has been completed and occupied. It shall be the duty of each builder to notify the Association at the time a residence has been substantially completed or permitted to be occupied. The term "substantial completion" as used herein shall mean that the residence is ready for sale or occupancy, except for minor items which must be furnished, completed, corrected or adjusted. The term "builder" for the purposes of this Supplemental Declaration is defined as any person, firm, corporation, or other entity who is engaged in the business of building residential structures for sale or rental purposes, and not for his or its personal use or occupancy.

Section 5. The Annual Maintenance Charge. The annual maintenance charge assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Trustees to be the date of commencement. The first annual assessment shall be made for the balance of the calendar year in which it is made and shall be payable on the day fixed

for commencement, or in equal monthly installments over the balance of the year, at the election of the Board of Trustees of the Association. The assessments for each calendar year after the first year shall be due and payable to the Association in advance of January 1st each year, or in twelve (12) equal monthly installments over such year, at the election of the Board of Trustees of the Association. Provided, however, that, upon the purchase of his Lot (as evidenced by the date of his term Contract of Sale or Deed, or his occupancy whichever is earlier), each Member shall be obligated to pay to the Association a pro rata part of the applicable percentage (as determined pursuant to the terms hereof) of the regular annual maintenance charge assessed on such Lot, which shall bear the same ratio to the applicable percentage of the full annual maintenance charge as the number of full calendar months remaining in the year of purchase bears to twelve (12), and which shall be payable in full upon such purchase or in equal monthly installments over the balance of the year of purchase, as the Board of Trustees of the Association may elect.

The Board of Trustees of the Association may decrease or increase the amount of the regular annual maintenance charge or assessment provided for herein at any time and from time to time by the adoption of a resolution for such purpose, but no resolution increasing the annual maintenance charge assessment shall become effective prior to the expiration of ninety (90) days from date of its adoption, and the Owner of each Lot shall, within thirty (30) days from such effective date, pay to the Association the proportionate part of such increase for the balance of the year in which such resolution is adopted; provided, however, that no resolution of the Board of Trustees which fixes the amount of the regular annual maintenance charge or assessment in excess of Three Hundred and No/100 Dollars (\$300.00) per year, or in excess of the annual maintenance charge or assessment last ratified by the Members of the Association in accordance with the provisions of this paragraph, whichever is greater, shall become effective unless and until such resolution is ratified either (i) by the written assent of the Members of the Association who in the aggregate then own at least fifty-one percent (51%) of the Lots in The Subdivision if no meeting of the membership is held for ratification, or (ii) by the assent of fifty-one percent (51%) of the votes of the Members of the Association who are present and voting in person or by proxy at a special meeting of the membership of the Association called for this purpose and at which a quorum is present. The written assent or the vote of the Members must be given prior to the effective date of the resolution of the Board of Trustees. No increase in the annual maintenance charge or assessment shall take effect retroactively.

If any resolution of the Board of Trustees which requires ratification by the assent of the Members of the Association as above provided shall fail to receive such assent, then the amount of the regular annual maintenance charge or assessment last in effect shall continue in effect until duly changed in accordance with the above provisions. The Board of Trustees may decrease the amount of the annual maintenance charge or assessment without ratification by or assent of the Members of the Association.

Section 6. Quorum for any Action Authorized Under Section 5.
The quorum required for any action authorized by Section 5. hereof shall be as follows:

At the first meeting called, as provided in Section 5. hereof, the presence at the meeting

of Members, or of proxies, entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called and the required quorum at any such subsequent meeting shall be one-half (1/2) the required quorum at the preceding meeting, provided that such reduced quorum requirement shall not be applicable to any such subsequent meeting held more than sixty (60) days following the preceding meeting.

Section 7. Duties of the Board of Trustees. The Board of Trustees of the Association shall fix the date of commencement and the amount of the assessment against each Lot or Owner for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Liens to Secure Assessments. The annual maintenance charges or assessments, as hereinabove provided for, shall constitute and be secured by a separate and valid and subsisting lien, hereby created and fixed, and which shall exist upon and against each Lot and all improvements thereon, for the benefit of the Association and all Members. Subject to the conditions that the Association be made a party to any Court proceeding to enforce any lien hereinafter deemed to be superior, the lien hereby created shall be subordinate and inferior to --

- (a) all liens for taxes or special assessments levied by the City, County, and State governments, or any political subdivision or special district thereof, and
- (b) all liens securing amounts due or to become due under any term Contract of Sale dated, or any mortgage, vendor's lien, or deed of trust filed for record, prior to the date payment of any such charges or assessments become due and payable, and
- (c) all liens, including, but not limited to, vendor's liens, deeds of trust, and other security instruments which secure any loan made by any lender to an Owner for any part of the purchase price of any Lot when the same is purchased from a builder or for any part of the cost of constructing, repairing, adding to, or remodeling the residence and appurtenances situated on any Lot to be utilized for residential purposes.

Any foreclosure of any such superior lien under the power of sale of any mortgage, deed of trust, or other security instrument, or through the Court proceedings in which the Association has been made a party, shall cut off and extinguish the liens securing maintenance charges or assessments which became due and payable prior to such foreclosure date, but no such foreclosures shall

free any Lot from the liens securing assessments thereafter becoming due and payable, nor shall the liability of any Member personally obligated to pay maintenance charges or assessments which become due prior to such foreclosure, be extinguished by any foreclosure.

Section 9. Effect of Non-Payment of Assessment. If any annual maintenance charge or assessment is not paid within thirty (30) days from the due date thereof, the same shall bear interest from the due date until paid at the highest interest rate allowed under the laws of the State of Texas, and, if placed in the hands of an attorney for collection or if suit is brought thereon or if collected through probate or other judicial proceedings, there shall be paid to the Association an additional reasonable amount, but not less than ten percent (10%) of the amount owing, as attorney's fees. The Association, as a common expense of all Members, may institute and maintain an action at law or in equity against any defaulting Member to enforce collection and/or for foreclosure of the liens against his Lot. All such actions may be instituted and brought in the name of the Association and may be maintained and prosecuted by the Association in a like manner as an action to foreclose the lien of a mortgage or deed of trust on real property.

Section 10. Collection and Enforcement. Each Member, by his assertion of title or claim of ownership or by his acceptance of a deed to a Lot, whether or not it shall be so recited in such deed, shall be conclusively deemed to have expressly vested in the Association, and in its officers and agents, the right, power and authority to take all action which the Association shall deem proper for the collection of assessments and/or for the enforcement and foreclosure of the liens securing the same.

ARTICLE VII

Utility Standby Charge

Each Lot is hereby subjected to a "standby charge" in the amount of Six and No/100 Dollars (\$6.00) per month, for the benefit of Harris County Municipal Utility District No. 132 which has been created to furnish water and sewer service to the Properties. Such charge shall be due and payable on the first day of the thirteenth (13th) month after the date upon which water and sewer service is available at the property line of each Lot then subject to such charge, and on the first day of each succeeding month thereafter, and ending on the first day of the month preceding the date upon which water and sewer use charges become due and payable for water and sewer service supplied to such Lot. To secure the payment of such "standby charge" established hereby, a lien upon each Lot is hereby granted to Harris County Municipal Utility District No. 132. Such liens shall be enforceable through appropriate proceedings in law by such beneficiary; provided, however, that each such lien shall be second, subordinate and inferior to all liens, present and future, given, granted, and created by or at the instance or request of the Owner of any such Lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or the improvement of any Lot; and further provided that, as a condition precedent to any proceeding to enforce such lien upon any Lot on which there is an outstanding valid and subsisting first mortgage lien, said beneficiary shall give the holder of such first mortgage lien, said beneficiary shall give the holder of such first mortgage lien sixty (60) days written notice of such proposed action. Such

047 JJ 0003

notice, which shall be sent to the nearest office of such first mortgage holder by prepaid U. S. Registered Mail, shall contain the statement of the delinquent standby charges upon which the proposed action is based. Upon the request of any such first mortgage lien holder, said beneficiary will acknowledge in writing its obligation to give the foregoing notice to such holder with respect to the particular property covered by such first mortgage lien. The lien referred to herein shall be deemed to have been reserved in favor of the beneficiary in any deed to any Lot or any part thereof, whether or not the same shall be specifically reserved.

ARTICLE VIII

Architectural Control Committee

Section 1. Approval of Plans. No building, structure, fence, wall, or other improvements shall be commenced, erected, constructed, placed or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the detailed plans and specifications therefor shall have been submitted to and approved in writing as to compliance with minimum structural and mechanical standards, location and situation on the Lot, and as to harmony of external design and location in relation to property lines, building lines, easements, grades, surrounding structures, walks, and topography (including the orientation of the front and rear of any such building with respect to the Lot lines), by the Architectural Control Committee constituted as provided herein. The submitted plans and specifications shall specify, in such form as the Architectural Control Committee may reasonably require, structural, mechanical, electrical, and plumbing detail and the nature, kind, shape, height, exterior color scheme, materials to be incorporated into, and location of the proposed improvements or alterations thereto. In the event said Architectural Control Committee fails to approve or disapprove such plans and specifications within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and the provisions of this Section will be deemed to have been fully complied with; provided, however, that the failure of the Architectural Control Committee to approve or disapprove such plans and specifications within such thirty (30) day period shall not operate to permit any structure to be commenced, erected, placed, constructed or maintained on any Lot in the Properties in a manner inconsistent with any provision of this Supplemental Declaration. Without limitation of the powers herein granted, the Architectural Control Committee shall have the right to specify requirements for each Lot as follows: minimum setbacks; the location, height, and extent of fences, walls, or other screening devices; and the orientation of structures with respect to garage access and major entry and frontage. The Architectural Control Committee also shall have full power and authority to reject any plans and specifications that do not comply with the restrictions herein imposed or meet its minimum construction requirements or architectural design requirements or that might not be compatible, in the sole discretion of the Architectural Control Committee, with the design or overall character and aesthetics of the Properties.

Section 2. Slab Elevation Certification. Each Owner shall submit to the Architectural Control Committee, prior to commencement of construction or erection of any residential structure, attached garage or other attached appurtenance thereto on any Lot, together with the plans and specifications and other data herein required,

a certificate from a registered professional engineer (or such other authority as shall be acceptable to the Architectural Control Committee) certifying, in such form as may be required by the Architectural Control Committee, the elevation above mean sea level of the top of the finished slab (or finished beam, if a pier and beam foundation is utilized) for all portions of such residential structure, attached garage or other attached appurtenance relative to and based on such submitted plans and specifications and the proposed location of such structure on the Lot.

Section 3. Committee Membership. The Architectural Control Committee is currently composed of Charles R. Ackerman, Stanton W. Gedvillas, and David R. Foster (who is chairman of the committee) who, by a majority vote, may designate a representative or representatives to act for them [the term "Architectural Control Committee" as used herein shall refer to the individuals named above, their assignee as permitted herein, or the Committee's designated representative(s)]. The Committee shall remain independent of the Association. That is, the Committee shall in no way be controlled by or obligated to approve any recommendations or requests of the membership of the Association. In the event of the death or resignation of any member or members of the Architectural Control Committee, the remaining member or members shall appoint a successor member or members, and until such successor member or members shall have been so appointed, the remaining member or members shall have full right, authority and power to carry out the functions of the Architectural Control Committee as provided herein, or to designate a representative with like right, authority, and power.

Section 4. Transfer of Authority to the Association. The duties, rights, powers, and authority of the Architectural Control Committee constituted hereby may be assigned at any time, at the sole election of a majority of the members of the Committee, to the Board of Trustees of the Association, and from and after the date of such assignment, and the acceptance thereof by such Trustees, the Board of Trustees of the Association shall have full right, authority and power, and shall be obligated, to perform the functions of the Architectural Control Committee as provided herein, including the right to designate a representative or representatives to act for it.

Section 5. Minimum Construction Standards. The Architectural Control Committee may from time to time promulgate an outline of minimum acceptable construction standards and specifications (including, without limitation a limited number of acceptable exterior materials and/or finishes), which shall constitute guidelines only and shall not be binding upon the Architectural Control Committee or in any manner determinative of the approval or disapproval by such Committee of submitted plans and specifications.

Section 6. Minimum Slab Elevation. Based upon an independent engineering flood study prepared by engineers retained by Declarant and historical and other data available to Declarant, Declarant has determined that the orderly development of The Subdivision and the safety and well-being of the Owners and their property would be served best by further restricting construction in the Properties as follows:

- (a) The slab elevation (measured to the top of the finished slab, or finished beam if a pier and beam foundation is utilized) of any residential structure, attached garage or other attached appurtenance thereto built, placed,

047 JJ 0000

constructed, reconstructed or altered on any Lot in the Properties, shall be not lower than that elevation above msl as shall be adopted by the Harris County Commissioner's Court (or other County authority having jurisdiction) as the official 100 year flood elevation applicable to the Properties (or portions thereof). The determination of the Architectural Control Committee as to the minimum slab elevation applicable to each Lot under the terms hereof shall be final and conclusive.

- (b) No electrical wiring (unless enclosed in waterproof conduit), outlets, fixtures, switches, meters, fuses, circuit breakers or other similar elements of any electrical service system; plumbing drains, outlets, heads, fixtures or other similar openings to the plumbing system; built-in mechanical devices; built-in appliances or the like shall be attached to or situated in or on any residential structure constructed on any Lot in the Properties at any point lower than the minimum slab elevation applicable to such Lot as set forth above.

Section 7. Construction Requirements.

(a) Only new construction materials (except for used brick) shall be used and utilized in constructing any structures situated on a Lot. All residential structures situated on any Lot shall have not less than 51% masonry construction, or its equivalent at the discretion of the Architectural Control Committee, on the exterior wall area, except that detached garages may have wood siding of a type and design expressly approved by the Architectural Control Committee.

(b) All exterior construction of the primary residential structure, garage, porches, and any other appurtenances or appendages of every kind and character on any Lot and all interior construction (including, but not limited to, all electrical outlets in place and functional, all plumbing fixtures installed and operational, all cabinet work completed, all interior wall, ceilings, and doors completed and covered by paint, wallpaper, paneling, or the like, and all floors covered by wood, carpet, tile or other similar floor covering) shall be completed not later than one (1) year following the commencement of construction. For the purposes hereof, the term "commencement of construction" shall be deemed to mean the date on which the foundation forms are set.

(c) A concrete sidewalk four (4) feet wide shall be constructed from the street adjacent to the front of each Lot to the front of the residential structure to be situated thereon. No other sidewalks shall be permitted on any Lot without the express written consent of the Architectural Control Committee. The plans for each residential building on each Lot shall include plans and specifications for such required sidewalk, if required, and any other proposed sidewalk, and such required sidewalk, and other approved sidewalks, if any, shall be constructed and completed before the main residence is occupied.

(d) No window or wall type air conditioners shall be permitted to be used, placed or maintained on or in any building in any part of the Properties.

(e) Each kitchen in each residential structure situated on any Lot shall be equipped with a garbage disposal unit, which

garbage disposal unit shall at all times be kept in an operational condition.

(f) Before any landscaping shall be done in the front of any newly constructed residential structure, the landscape layout and plans must be first approved by the Architectural Control Committee. Such landscaping is to be done in the parkway area and on the front of the Lot at the time the residential structure is being completed and before occupancy.

(g) All structures situated on any Lot shall have three hundred twenty-five (325) pound composition shingle roofs or better, subject to the prior written approval of the Architectural Control Committee.

(h) No radio or television aerial wires or antenna shall be maintained on any portion of any lot forward of the front building line of said lot; nor shall any antenna of any style be permitted to extend above the roof of the main residential structure on said lot.

(i) No device or structure, which is designed or intended to be used for the purpose of bringing in cable television, such as a microwave dish or other similar device, shall be installed, placed on or permitted to remain, on any portion of a Lot within The Sub-division, without the prior written approval of the Architectural Control Committee.

Section 8. Size of Residences. No residential structure erected on any Lot shall have more than two (2) stories, nor exceed thirty-five (35) feet in height. No residential structure with an exterior area of less than the applicable minimum number of square feet set forth below, exclusive of the area of attached garages, porches, servant's quarters, or other appurtenances or appendages, shall be erected on any Lot:

| <u>Type of Structure</u> | <u>Minimum Exterior Area</u> |
|--|------------------------------|
| One story, one and one-half story and two story residences | 2000 square feet |

Section 9. Building Location. No structure shall be located on any Lot between the building setback lines shown on the Subdivision Plat and the street. No building shall be located nearer than five (5) feet to any interior Lot line, except that a garage or other permitted accessory building located sixty-five (65) feet or more from the front Lot line may be located within three (3) feet of an interior Lot line. Further, no building shall be located within any utility easement on any Lot. For the purposes hereof, the term "side yard" shall mean and refer to that portion of the Lot lying between the side Lot line and a line coincident with the exterior wall of that structure situated on such Lot which is nearest such side Lot line. No main residence building nor any part thereof shall be located on any Lot nearer than fifteen (15) feet to the rear Lot line. For the purposes of this Section, eaves, steps and open porches shall not be considered as a part of the building; provided, however, that the foregoing shall not be construed to permit any portion of a building on any Lot to encroach upon another Lot. For the purposes of this Supplemental Declaration, the front line of each Lot shall coincide with and be the property line having the smallest or shortest dimension abutting a street. Unless otherwise approved in writing by the Architectural Control Committee, each main residence building will face the front of the Lot, and each detached garage will be located at least sixty-five (65) feet from the front of the Lot on which it is situated and will be provided with a

driveway access from the front of the Lot; provided that such access may be from the front or side of corner Lots, unless such side access would be from a major thoroughfare (defined, for the purposes hereof, as any street having a right-of-way 80 feet or more in width).

Without limiting the authority granted in Section 1. of this Article VIII, the Architectural Control Committee shall have absolute discretion to determine the orientation and location of the front elevation of the residential structure with respect to the front building set back line, and may require, in its sole discretion, that such front elevation be situated on or a specified distance behind such front building set back line.

Section 10. Walls, Fences and Hedges. No walls, fences or hedges shall be erected or maintained nearer to the front Lot line of any Lot than the walls of the dwelling situated on such Lot, which are nearest to such front Lot line. No side or rear fences and walls shall be erected or maintained along the side or rear lot lines unless approved in writing by the Architectural Control Committee.

Any fences approved by the Architectural Control Committee must be of ornamental iron, wood or masonry construction. No chain link fences shall be permitted.

Ownership of any wall, fence or hedge erected as a protective screening on a Lot by Declarant shall pass with title to such Lot and it shall be the Owner's responsibility to maintain said protective screening thereafter. In the event of default on the part of Owner or occupant of any Lot in maintaining said protective screening and such failure continuing after ten (10) days' written notice thereof, the Association may, at its option, without liability to the Owner or occupant in trespass or otherwise, enter upon said Lot and cause said protective screening to be repaired or maintained or to do any other thing necessary to secure compliance with this Supplemental Declaration, so as to place said protective screening in a satisfactory condition, and may charge the Owner or occupant of such Lot for the cost of such work by submitting a statement setting forth the cost of such work to the Owner or occupant of such Lot. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of such Lot, to pay such statement immediately upon receipt thereof. The amount of such charge, together with interest thereon at the highest interest rate allowed under the laws of the State of Texas and reasonable costs of collection, shall be a charge and continuing lien upon such Lot, as well as the continuing personal obligation of the Owner of such Lot at the time such charge is incurred. The lien securing such charge shall be second, subordinate and inferior to all liens, present and future, given, granted and created by or at the instance or request of the Owner of any such Lot to secure the payment of monies advanced on account of the purchase price and/or improvement of any such Lot.

ARTICLE IX

Building and Use Restrictions

Section 1. Residence Buildings and Garages. No building or other structure shall be built, placed, constructed, reconstructed, or altered on any Lot other than a single family residence, with

appurtenances incident to single family use, including, without limitation, bona fide servants quarters, and no structure shall be occupied or used until the exterior construction thereof is completed. Each single family residence situated on a Lot shall have an enclosed, attached or detached garage for not less than two (2) nor more than four (4) automobiles. No such detached garage shall have more than one (1) story. No carport shall be built, placed, constructed or reconstructed on any Lot. No garage shall ever be changed, altered, reconstructed or otherwise converted for any purpose inconsistent with the garaging of automobiles. All Owners, their families, tenants and contract purchasers shall, to the greatest extent practicable, utilize such garages for the garaging of vehicles belonging to them.

Section 2. Single Family Residential Use. Each Lot (including land and improvements) shall be used and occupied for single family residential purposes only. No Owner or other occupant shall use or occupy his Lot, or permit the same or any part thereof to be used or occupied, for any purpose other than as a private single family residence for the Owner or his tenant and their families and domestic servants employed on the premises. As used herein the term "single family residential purposes" shall be deemed to prohibit specifically, but without limitation, the use of Lots for duplex apartments, garage apartments or other apartment use. No Lot shall be used or occupied for any business, commercial, trade, or professional purpose either apart from or in connection with the use thereof as a private residence, whether for profit or not.

Section 3. Temporary and Other Structures. No structure of a temporary character, no trailer, mobile, modular or prefabricated home, tent, shack, barn, or any other structure or building, other than the residence to be built thereon in accordance herewith, shall be placed on any Lot, either temporarily or permanently and no residence house, garage or other structure appurtenant thereto, shall be moved upon any Lot from another location; except, however, that Declarant reserves the exclusive right to erect, place and maintain, and to permit builders to erect, place and maintain, such facilities in and upon the Properties as in its sole discretion may be necessary or convenient during the period of and in connection with the sale of Lots, construction and selling of residences and constructing other improvements in the Properties. Such facilities may include, but not necessarily be limited to, a temporary office building, storage area, signs, portable toilet facilities and sales office. Declarant and builders shall also have the temporary office or model home during the period of and in connection with construction and sales operations in the Properties, but in no event, shall a builder have such right for a period in excess of one (1) year from the date of substantial completion of his last residence in the Properties.

Section 4. Nuisance. No noxious or offensive activity shall be carried on or permitted upon any Lot or upon the Common Properties, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood or to other Owners. The Board of Trustees of the Association shall have the sole and exclusive discretion to determine what constitutes a nuisance or annoyance. No trucks larger than three-quarters of a ton, motor vehicles not currently licensed, boats, trailers, campers, motor or mobile homes or other vehicles shall be permitted to be parked on any Lot, except in a closed garage, or on any street, except passenger cars and trucks smaller than three-quarters

of a ton may be parked on the street in front of the Lot for a period not to exceed twelve (12) hours in any twenty-four (24) hour period. No repair work, dismantling, or assembling of motor vehicles or other machinery or equipment shall be done or permitted on any Lot, street, or on any portion of the Common Properties. The use or discharge of firearms, firecrackers, or other fireworks in the Properties is prohibited. No motor bikes, motorcycles, motor scooters, "go-carts", or other similar vehicles shall be permitted to be operated in the Properties, if, in the sole judgment of the Board of Trustees of the Association, such operation, by reason of noise or fumes emitted, or by reason of manner of use, shall constitute a nuisance.

Section 5. Signs. Except for signs, billboards or other advertising devices displayed by Declarant for so long as Declarant or any successors or assigns of Declarant to whom the rights of Declarant under this Section 5. are expressly transferred, shall own any portion of the Properties, no sign of any kind shall be displayed to the public view on any Lot or the Common Properties, except:

- (a) Builders may display one (1) sign of not more than five (5) square feet on a Lot to advertise the Lot and any residential structure situated thereon for sale during the sales and/or construction period; and
- (b) Any Owner may display one (1) sign of not more than five (5) square feet on a Lot improved with a residential structure to advertise the Lot and residence for sale or rent.

Declarant or its agent shall have the right to remove any sign not complying with the provisions of this Section, and in so doing, shall not be liable and is expressly relieved of any liability for trespass or other tort in connection therewith, or arising from such removal.

Section 6. Animals. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot or on any portion of the Common Properties, except that dogs, cats, or other common household pets (not to exceed three (3) adult animals) may be kept, but they shall not be bred or kept for commercial purposes.

Section 7. Removal of Dirt. The digging of dirt or the removal of any dirt from any Lot or from any portion of the Common Properties is prohibited, except as necessary in conjunction with landscaping or construction of improvements thereon.

Section 8. Garbage and Refuse Storage and Disposal. All Lots and the Common Properties shall at all times be kept in a healthful, sanitary and attractive condition. No Lot, street or any part of the Common Properties shall be used or maintained as a dumping grounds for garbage, trash, junk or other waste matter. All trash, garbage, or waste matter shall be kept in adequate containers constructed of metal, plastic or masonry materials, with tightly fitting lids, which shall be maintained in a clean and sanitary condition and screened from public view. No Lot shall be used for open storage of any materials whatsoever, which storage is visible from the street, except that new building materials used in the construction of improvements erected on any Lot may be placed upon such Lot at the time construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without unreasonable delay,

until completion of the improvements, after which these materials shall either be removed from the Lot, or stored in a suitable enclosure on the Lot. There is hereby reserved in favor of the Association the determination of the method of garbage disposal, that is whether it shall be through public authority or through private garbage disposal service.

Section 9. Septic Tanks. No privy, cesspool, or septic tank shall be placed or maintained upon or in any Lot, or any other portion of the Properties.

Section 10. Access. No driveways or roadways may be constructed on any Lot to provide access to any adjoining Lot or other portion of the Properties unless the express written consent of the Architectural Control Committee first shall have been obtained.

Section 11. Driveways and Culverts. Each Lot must be accessible to an adjoining street by a driveway suitable for such purposes before the residential structure located on any such Lot may be occupied or used. No Owner may block any drainage ditch (including road ditches). The specifications for and construction of all drain tiles or culverts in any drainage ditch, whether to be installed in connection with a driveway or otherwise, must be approved by the Association.

Section 12. Utilities. Each residence situated on a Lot shall be connected to the water and sewer lines as soon as practicable after same are available at the Lot line.

Section 13. Minimum Lot Area. No Lot shall be resubdivided unless such subdivision results in each resubdivided Lot containing not less than 8000 square feet of land. Provided, however, Declarant shall have and reserves the right, at any time, or from time to time, upon the joinder and consent of the appropriate county and/or municipal authorities and the Board of Trustees of the Association, but without the joinder and consent of any other party, to file a replat of the Subdivision Plat to effect a resubdivision or reconfiguration of any Lots in the Properties then owned by Declarant, so long as such replat results in each resubdivided Lot containing not less than 8000 square feet of land. The privilege to replat Lots in the Properties owned by Declarant reserved in this Section 13. shall be exercisable only by Declarant or any successor to Declarant's ownership of such Lots who acquires such ownership other than by purchase, and such privilege shall not be exercisable by, inure to the benefit of, or be assignable to any purchaser from Declarant or from any successor or assign of Declarant, of any Lot in the Properties.

Section 14. Oil and Mining Operations. No oil drilling or development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 15. Lot Maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful and attractive manner and shall in no event use any Lot for storage of materials and equipment except for normal residential requirements or incident to construction of improvements thereon as herein permitted or permit the accumulation of garbage, trash or rubbish of any kind thereon and

shall not burn anything (except by use of an incinerator and then only during such hours as permitted by law). The drying of clothes in full public view is prohibited and the Owners or occupants of any Lots at the intersection of streets or adjacent to parks, playgrounds, or other facilities where the rear yard or portion of the Lot is visible to full public view shall construct and maintain a drying yard or other suitable enclosure to screen the following from public view: the drying of clothes, yard equipment, wood piles or storage piles which are incident to the normal residential requirements of a typical family. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements, or any of them, such default continuing after ten (10) days written notice thereof, Declarant or its successors and assigns may, at its option, without liability to the Owner or occupant in trespass or otherwise, enter upon said Lot and cause to be cut such weeds and grass and remove or cause to be removed such garbage, trash and rubbish or do any other thing necessary to secure compliance with this Supplemental Declaration in order to place said Lot in a neat, attractive, healthful and sanitary condition, and may charge the Owner or occupant of such Lot for the cost of such work, by submitting a statement setting forth the cost of such work to the Owner or occupant of such Lot. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of such Lot to pay such statement immediately upon receipt thereof. Each such assessment, together with interest thereon at the highest rate of interest allowed under the laws of the State of Texas and reasonable costs of collection, shall be a charge and continuing lien upon such Lot, as well as the continuing personal obligation of the Owner of such Lot at the time of such assessment. The lien securing such assessment shall be second, subordinate and inferior to all liens, present and future, given, granted and created by or at the instance or request of the Owner of any such Lot to secure the payment of monies advanced or to be advanced on account of the purchase price and/or improvement of any such Lot.

Section 16. Use of Common Properties. There shall be no obstruction of any part of the Common Properties, which are intended to remain unobstructed for the reasonable use and enjoyment thereof. No Owner shall appropriate any part of the Common Properties to his exclusive use, nor shall any Owner do anything which would violate the easements, rights, and privileges of any Owner in regard to any portion of the Common Properties which is intended for the common use and benefit of all Owners. Except as may be herein permitted, no Member shall plant, place, fix, install or construct any vegetation, hedge, tree, shrub, fence, wall, structure, or improvements or store any of his personal property on the Common Properties or any part thereof without the written consent of the Association first obtained. The Association shall have the right to remove anything placed on the Common Properties in violation of the provisions of this Section and to recover the cost of such removal from the Owner responsible, and to have a lien on such Owners Lot to secure the payment of such cost, all on the same terms and provisions as are set forth in Section 15 next above.

Section 17. Exempt Property. Notwithstanding any provision herein to the contrary, the Common Properties shall not be subject to or burdened by the building and use restrictions set forth in this Article IX, except to the extent same are made specifically applicable to the Common Properties.

ARTICLE X

General Provisions

Section 1. Duration. The covenants and restrictions of this Supplemental Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association or the Owner of any land subject to the Declaration or any Supplemental Declaration, their respective legal representatives, heirs, successors and assigns, for an initial term commencing on the effective date hereof and ending December 31, 2014. During such initial term (a) the covenants and restrictions contained in all Articles hereof other than Articles VIII and IX may be changed or terminated only by an instrument signed by the then Owners of all Lots in The Subdivision and properly recorded in the appropriate records of Harris County, Texas, and (b) the covenants and restrictions contained in Articles VIII and IX hereof may be changed or terminated only by an instrument signed by the then Owners of all Lots in the Properties and properly recorded in the appropriate records of Harris County, Texas. Upon the expiration of such initial term, all of the covenants and restrictions of this Supplemental Declaration (as changed, if changed), and the enforcement rights relative thereto, shall be automatically extended for successive periods of ten (10) years. During such ten (10) year extension periods, (a) the covenants and restrictions contained in all Articles hereof other than Articles VIII and IX may be changed or terminated only by an instrument signed by the then Owners of not less than fifty-one percent (51%) of all the Lots in The Subdivision and properly recorded in the appropriate records of Harris County, Texas and (b) the covenants and restrictions contained in Articles VIII and IX hereof may be changed or terminated only by an instrument signed by the then Owners of not less than fifty-one percent (51%) of all the Lots in the Properties and properly recorded in the appropriate records of Harris County, Texas.

Section 2. Enforcement. The Association, as a common expense to be paid out of the Maintenance Fund, or any Owner at his own expense, shall have the right to enforce, by proceedings at law or in equity, all restrictions, covenants, conditions, reservations, liens, charges, assessments, and all other provisions set out in this Supplemental Declaration. Failure of the Association or of any Owner to take any action upon any breach or default of or in respect to any of the foregoing shall not be deemed a waiver of their right to take enforcement action upon any subsequent breach or default.

Section 3. Amendments by Declarant. The Declarant shall have and reserves the right at any time and from time to time, without the joinder or consent of any other party to amend this Supplemental Declaration by any instrument in writing duly signed, acknowledged, and filed for record for the purpose of correcting any typographical or grammatical error, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by the Declaration and Supplemental Declarations shall not impair or affect the vested property or other rights of any Owner or his mortgagee.

Section 4. Interpretation. If this Supplemental Declaration or any word, clause, sentence, paragraph, or other part hereof shall be susceptible of more than one or conflicting interpretations, then the interpretation which is most nearly in accordance with

the general purposes and objectives of The Declaration and all Supplemental Declarations shall Govern.

Section 5. Omissions. If any punctuation, word, clause, sentence, or provision necessary to give meaning, validity, or effect to any other word, clause, sentence, or provision appearing in this Supplemental Declaration shall be omitted herefrom, then it is hereby declared that such omission was unintentional and that the omitted punctuation, word, clause, sentence or provision shall be supplied by inference.

Section 6. Notices. Any notice required to be sent to any Member or Owner under the provisions of this Supplemental Declaration shall be deemed to have been properly sent when mailed, post-paid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 7. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, males or females, shall in all cases be assumed as though in each case fully expressed.

Section 8. Severability. Invalidation of any one or more of the covenants, restrictions, conditions, or provisions contained in this Supplemental Declaration, or any part thereof, shall in no manner affect any of the other covenants, restrictions, conditions, or provisions hereof, which shall remain in full force and effect.

ARTICLE XI

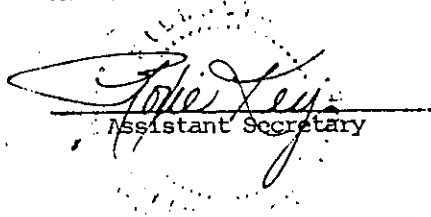

Consent of Board of Trustees of Association

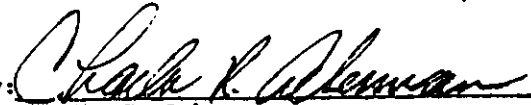

The members of the Board of Trustees of the Association have executed this Supplemental Declaration to evidence its approval of Declarant's election to bring the Properties within the scheme of the Declaration under the authority contained in Article III, Section 3. of The Declaration.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, and the members of the Board of Trustees of the Association, have executed this Supplemental Declaration to be effective, this the 4th day of January, 19 83.
