

Atascocita Community Improvement Assn.  
AUTUMN 2009 NEWSLETTER

# News!

Your ACIA board is constantly looking for ways to cut costs and to use the funds that are available to best advantage. With the cost of postage ever increasing as well as the cost of printing, it was decided to discontinue this newsletter in a printed format. This was decided when the price of printing and distribution was well over \$10,000 this year. Because the board understands the importance of good communication we will continue writing a newsletter, but it will be posted on our website at **www.atascocitacia.org**. For those without computers, our local Atascocita library offers the use of computers for free. There are also those who don't use, or wish to use, computers. For those, a printed copy will be available upon request to David Johnson at **djohnson@communityassetmanagement.com**. You will not have to request a copy every time, just put your name on the list requesting a printed copy and they will be sent to you whenever a newsletter is placed on the website. Newsletters are written quarterly - January, March, June and September. Garage sale dates, 4<sup>th</sup> of July parade times, Easter Egg hunts etc. will be posted on the website with times and date.

Informational signs will also be placed at most entrances. For the first two online newsletters a note will be sent to remind residents to check for the news on our website. After that you can just check quarterly as you have the time and interest. Some announcements must be mailed and we will try to remind residents about our website on all future written communication. On a separate note - I am retiring from the board at the end of my term. I have enjoyed working with this board and writing the newsletters. I encourage anyone interested in the activities of the board to run! I can honestly say it is an active, involved board and one that where your efforts can make a real difference.

meeting. All you need is an interest in improving your neighborhood and a brief resume and you are on the slate! There will be 2 positions to be filled this year. ## **Atascocita Country Club/Golf Course News?**

Rumors, Rumors everywhere and not a drop of news. At the time of the writing of this newsletter we still do not know what is to become of the Atascocita golf course property.

HOWEVER, one rumor can be squelched! The ACIA board passed a resolution stating that the board will **not** support any effort to make membership or payments to Atascocita Golf Course, or any other privately owned business, mandatory nor will any assessments collected by ACIA go to support a privately owned business. No business venture in which the ACIA has no ownership will be subsidized with ACIA funds. We hope this puts to rest the concerns of many of our residents. For a copy of the full resolution, please go to our website at [www.atascocitacia.org](http://www.atascocitacia.org).
